Based on last year's financial report, we have decided to increase the prize purse to \$4000 (vs.\$3000 last year). We will not apply for USA Cycling sanctioning (NORBA), insurance will be pursued through McKay Ins. Entry fees will be increased \$5 over last year, (\$5 per event, weekend registration fee increased \$5) but we will not collect a \$5 per day NORBA fee. Payout for the

weekend will be \$4000. Flyer will be updated for submission to Brian Tucker from Swope. A letter will be mailed to previous competitors with updated info.
