Treasurer Report

Marquita Garcia

\$8664.56 in account. \$600.00 for race sponsorship. \$60.00 membership. Another \$60.00 membership fee. Insurance bought of \$85.00 covers 55 members. Quicken was bought by Marquita and Jimmy Garcia as a donation to the club. Thank you. Carmen renewed membership to League of American Bicyclist of \$45.00, would like to be reimbursed.

Lions Club Poker

Carmen Coyle

Mike Richardson said the college will not participate in the Poker Run. The ride will start from Bullmoose Brothers on May 16 which is also bike month. The ride route is to be determined but will probably be between 25-30 miles. Will need 6-8 escort riders on the tour. The Lions Club will take names/addresses/e-mails from the Share the Ride to compile a list of potential riders. The Lions Club will prepare a meal and there will possibly be a band.

Youngers Creek

Vince Carman

Several groups of volunteers rotating through have cleared trails a little bit at a time. Last word was you can ride up either set of switchbacks and ride the trail closest to the parking lot and get a loop in. More is ongoing this week and hopefully it will be clear in the next week or two.

Pump track: Vince and Bryan Kenady got together and reviewed the grant. There is \$4918 left in what we have received of the grant money with roughly \$5000.00 left to draw from at the state. Looking at the numbers Vince does that we will be able to have a professional builder (\$5000) with the cost of dirt, signage and repair of the fence. He has downloaded some materials on building pump tracks and believe we can go build it although it may take just a bit longer as there will be a learner curve.

Otter Creek: No new news on a formal and public opening of Otter Creek Park. However the concept of a voluntary patrol has been a hit with Muldraugh Police and Metro Parks. If you would like to volunteer please fill out the Metro Parks voluntary form found here: <http://www.louisvilleky.gov/NR/rdonlyres/458F8524-B135-468E-896C-CD6721CDE1B6/0/MetroParksVolunteerApplication.pdf> . The patrol is being organized by Kelly Smith, kasmith@bbtel.com, of the KYMBA chapter. Contact him or Vince to get your application in and on the patrol list. Patrols will start once Metro Parks has completed the background checks on the first set of applications.

Switchback Attack

Mike Keeney

Available dates are May 10, May 17, June 21, August 2. The last two dates seem the most promising.

Race Team

Bryan Smith

Spring Series: 1st race is March 14th then almost every weekend until May 17th. Wynona Lake, In. Will be a road race and crit.

Reminder that we have business cards with CKW info that are available at Bullmoose Brothers that can be handed out to individuals that are interested in cycling.

Ride for Cancer is Sept 25-28. Each rider is responsible for raising \$2500.00. Orientation will be at Colvin Community Center on April 15 at 6:30. Website is

Carmen talked to insurance agent and they recommend updating the waiver on the application and website every year thus the reason for signing a new application every year.

A club ride is classified as any ride that is posted on the website. Therefore the club is liable.

Ky law requires a bicycle to have a white light on the front of the bike a red light on the back of the bike and reflectors either on the rider or bike.

Don't forget about milage contest. Cost is \$10.

E-mail received from Joe Baird: he is settling in and has a lot to learn in the take over of the command.

Randy Kennedy is in the process of rewriting the web site into Ruby and Flex 3. He will transfer the info to a new host with the same URL. The transfer will result in lower monthly rates. There will be lots of features and applications that we will be able to use with the new web site. The racing team will be able to do updates as well as photos in the image gallery. We can associate a CKW racing URL with the racing extension web site. The racing portion will be hosted in the same space, but Randy can make it look like it's a separate web site by associating a new URL with the directory.

That's all for now.....see you on the road.

Next meeting April 7, 6:30 * Bullmoose Brothers * 207 Helm St, E-town.
