CKW Racing

Kenny Sipes

First race is March 13th Long Run Park in Louisville. 1.7 miles. First race at 9:00am

Switchback Attack

Mike Keeney

Talked about doing a cyclo-cross race instead of switchback. Possible location would be behind the college. Michael and Bryan will talk to the people at ECTC. Cross is growing in popularity especially with the World Race coming to Louisville in 2013. Possible date would be 1st or 2nd weekend in August. On another note, Ryan from MWR will lead a ride at Youngers Creek March 21.

Welcome letter

Carmen Coyle

Carmen has finished the welcome letter that will be sent to new club members. I think the first one has been sent out to Jonathan Morris

CKW website

Carmen Coyle

Youngers Creek map has been updated by Mike Keeney. He also has posted the race results from 2009 Switchback. Kevin will put photos on there from 2009. Randy will fix the site so we can post photos.

30th anniversary exhibit

Carmen Coyle

There will be a time line created for the 30 year anniversary. Past Presidents of the club can decide what to put in the time in which they were president. We would like ideas for the physical design of the time line. Would like to have it done by the end of May.

Other
