

## Central Kentucky Wheelmen August 2002

The August meeting of the Central Kentucky Wheelmen was held at Mark and Sue Smiths' house. The September 3<sup>rd</sup> meeting will be held at Ann and Drew Morley's house, 108 Masters Street, Radcliff (351-5217). The October 1 meeting will be held at Susan Pfeiffer's house.

Randy Kennedy is a web designer and attended as a new member. He has graciously offered to include our ride schedule on his web site at [www.freshdev.com/ckw](http://www.freshdev.com/ckw). You will continue to receive the ride schedule either via mail or email, however, this will provide you with a quick method of checking the schedule. The "Remington" group also has their "regular" rides listed on this page if anyone is available to participate. Please check out Randy's web site! He has included a message board (you can post impromptu rides!) and The ReCycle Bin is a special treat with wonderful ride/route information that Randy has compiled!

Susan Pfeiffer is working with a representative of the Louisville Bicycle Club ([www.louisvillebicycleclub.org](http://www.louisvillebicycleclub.org)) to develop several routes in the Hardin County area. Thank you to those of you who provided Susan with information on routes! At this time, the Louisville Bicycle Club is planning a club tour September 22 beginning from Pritchard Community Center. We will post information on the message board at [www.freshdev.com/ckw](http://www.freshdev.com/ckw) as it becomes available to us as well as send out email notifications.

### Ride Schedule

**8/24, 0800**, Ann will lead a road ride from Ann and Drew's house, 108 Masters Street, Radcliff

**8/30, 1900**, Drew will lead a mountain bike ride from the NC at OCP
