

Minutes for August 4<sup>th</sup>  
CKW meeting

- o Tour of Hardin County

This Years ride will have 3 routes instead of 2  
27,45 and 60 miles

Insurance for the event will cost the club \$100

Also will be making donations to the Churches that are allowing us the use of facilities

- o Marlin will order T-shirts for event.

There will be 75 ordered 50 ride shirts and 25 club logo shirts, they will be available for \$10 each at the tour ride

Travis has agreed to purchase sag supplies on post in order to save the club a little expense

- o Volunteers will be taken for ride jobs

- o Adam Lobert brought up a Rail-to-Trails project which is could be very large in KY, it is the old Dawkins line.

Said it could be as big as the Virginia creeper trail which puts about \$3 million into the Virginia economy every year.

For further info on this you could contact Adam or visit one of the links below

It was discussed if the club should draft a letter in support of this project, which seems like a very good idea. Individuals may also send letters in support of the project.
